

## Brett Giffin

Brett Giffin has over 30 years of experience in the life sciences industry, having served in senior executive roles in large, medium, and small companies. His executive search practice focuses on Boards of Directors, C-Level and Senior Functional Leadership searches for private and public companies in the healthcare industry, ranging from smaller growth stage to large multi-nationals. Additionally, he brings his General Management experience to consulting projects in all functional areas.

Brett's executive leadership experience has encompassed CEO roles in 2 early stage medical technology companies, Chief Commercial Officer of Accriva Diagnostics (8 years), senior management roles in sales and marketing in Datascope, Covidien, and Boston Scientific, after 10 years of increasingly responsible roles with Johnson & Johnson. Prior to Johnson & Johnson, he began his business career as an executive search consultant after 4 years as a US Army officer, serving in Panama and Central America.

Brett has a Masters in Business Management from University of Phoenix, a BA degree from Christopher Newport University, and was a Distinguished Military Graduate from the College of William & Mary. He and his wife of 30 years reside in the Greater New York City area.
