

MANCINO BURFIELD EDGERTON

MARY FRANCES FLOOD

Mary Fran has over ten years experience in Executive Search. Her executive search career began with Search Innovations in 1997. While there, she performed full life cycle recruitment to a broad range of industries including Healthcare, Financial Services, Retail and Healthcare. These assignments included CFO, SVP and senior level positions in Finance, Marketing and Human Resources.

In 2006, Mary Fran worked with The Higgins Group, a boutique, retained search firm. She successfully completed a number of senior level searches in Research and Development.

In her most recent role, Mary Fran assists Mancino Burfield Edgerton with various research and recruiting assignments in Life Sciences and has been instrumental in helping the firm successfully complete senior level searches in Marketing and Research & Development.

Mary Fran holds a BA from East Stroudsburg University in Psychology.

Mary Fran, her husband and two daughters reside in Radnor, Pennsylvania.
