
MANCINO BURFIELD EDGERTON

PAUL EDGERTON

Paul Edgerton has over 30 years experience in the Life Science Industry. Since 1996 he has built a strong track record in Executive Search, successfully completing executive assignments in Life Science, including Life Science Tools, Diagnostics and Medical Technology companies. This includes Board Members for public and private companies, President, CEO, COO and senior level assignments in Sales, Marketing, Corporate Accounts, Business Development, Quality Assurance and Regulatory Affairs as well as Research and Development.

From 1975 to 1996 Paul had increasingly responsible assignments in Sales & Marketing Management, Operations and Business Development. This includes 15 years with Becton Dickinson (BD) and five years with mid sized and early stage companies including Carl Zeiss, Air-Shields and Omni Rehab Systems.

Drawing on his industry experience, Paul speaks on panels and makes presentations to trade groups and also provides strategic and operational consulting services for clients. He is also an investor in early stage companies with the potential to make breakthroughs in diagnosing, managing and treating diseases.

Paul holds an MBA from Rutgers University, as well as an MS in Health Education and BA in Psychology from Cortland State University.

Paul, his wife and two daughters live in Bucks County PA
